

# HANGZHOU SUPU BUSINESS MACHINE CO., LTD

High security data destruction equipment manufacturer for paper shredder, hard disk shredder and E-waste recycling shredding machine

## Tonef Cartridge Recycling Equipment

Safety and High efficiency waste toner cartridge recycling solution

**Waste toner cartridge**

**Toner Powder**

**Aluminum**

**Metal**

**Plastic**

### Professional toner cartridge recycling line with non-explosion technology

Shredding results with separated aluminum, iron, plastic and separated toner power

Model : SPTC500S

Working capacity: 300 - 500 kg per hour or customized

Output partice size: <20\*80mm

### Toner cartridge shredder with non-explosion technology

Shredding results with mixed aluminum, iron, plastic and separated toner power

Model : SPTC400

Working capacity: more than 100 kg per hour or customized

Output partice size: <50\*80mm
