

HANGZHOU SUPU BUSINESS MACHINE CO., LTD

High security data destruction equipment manufacturer for paper shredder,
hard disk shredder and E-waste recycling shredding machine

High Security Hard Disk Shredder

HD1800
High efficiency HDD shredder
Shredding capacity: >200 pcs/hr
Shredding particle size: 40mm*random

HD2800
HDD, IPAD, laptop shredder
Shredding capacity: >200 pcs/hr
Shredding particle size: 18mm*random

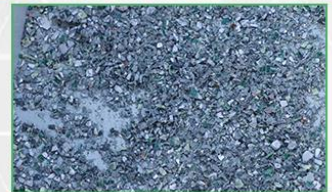

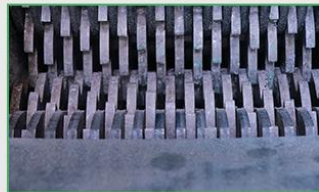

HD3000
HDD and SSD combo blade set shredder
Shredding capacity: >200 pcs/hr
Shredding particle size: 18mm*random

HD3500
H5 Hard disk shredder
Shredding capacity: >120 pcs/hr
Shredding particle size: approx 15mm*15mm

SSD and mobile phone shredder

SSD200XS
High security SSD and mobile phone shredder
Output particle size: around 2*2mm²-4*4mm²
Working capacity: 150-180 pcs per hour

SSD600
Heavy duty SSD and mobile phone shredder
Output particle size: around 5*5mm²
Working capacity: more than 300 pcs per hour
